

Enfire the Youth!

Om Mani Padme Hum AUM

In the name I AM THAT I AM, beloved Bob, Pearl, Rex and Nada, Hercules, Mother Mary, Igor, Lord Maitreya, Djwal Kul, Archangel Raphael, the masters of Illumination, the Nameless One and Sponsors of Youth from out the Great Central Sun, I pray:

With open hands and blazing heart
I kneel before your form.
O gracious one, bless every youth,
Their souls in love adorn.

Protect them, Michael, hold them close;
Astrea, set them free.
O Hercules, your mighty pow'r,
A cosmic jubilee!

Now with the soul of every youth
We say, I AM pure light.
I walk with God; God walks with me.
I'm loved in heaven's sight.

Each day imbibe the mind of God.
Christ Consciousness descend.
O Holy Spirit flowing through,
Pure Mother Light, ascend.

Ennobled sons and daughters bright,
Now walk with Presence, one.
Awake in joy, in love with God.
Our freedom star is come!

In the fullness of your cosmic joy, we accept this prayer manifest here and now with full love, wisdom and power, anchored in the earth, air, fire, water and ether and tangibly manifest in our lives and in the lives of all evolutions of light throughout cosmos!
