

Abundance flow and income grow
For every heartfriend here below.

With pure desire now all inspire
As they receive what they require.

In joy and faith we sing and pray
As escort angels show the way

To every lad and each fine lass
Whom God is sending to our class.

Ensure their way, O Lord, this day
In safety, fun, as we all pray.

O angels bright, seal them in light.
We see their victory, now in sight!
