

Om Mani Padme Hum AUM

May the thunder of the *dorje* roll! (3x)

*Vajra!* (3x)

Almighty God, beloved El Morya, Kuthumi and Djwal Kul, Gautama Buddha, Lord Maitreya, Jesus, Padma Sambhava, Kuan Yin, Lord Lanto, Confucius, Lao Tse, Lord Ling, Fun Wey, Lord Himalaya and all ascended masters of the Far East, go forth now and set free all of my Tibetan brothers and sisters of the light who are under the unkind rule of the Chinese.

Unbind their chains of punishment and suffering so that they may be freed to practice their religion in peace and harmony.

Free the real Panchen Lama from his Chinese-controlled captivity. Free the land of Tibet and its surrounding areas from Chinese control.

Surround my Tibetan brothers and sisters in comforting joy, love and healing energy.

Roll back and transmute all negative controlling energy projected against Tibet and its holy potential.

Save all of my Tibetan brothers and sisters from the cruel torture and murder by the Chinese. Save all of my Tibetan brothers and sisters from poverty and hunger. Save all of their monasteries, temples and holy places from all forms of destruction.

Seal all of my Tibetan brothers' and sisters' light so that it cannot be stolen from them.

Encircle the land of Tibet with a radiating bubble filled with love, healing, freedom, purity and hope and shielded with an outer layer of blue-diamond-flame protection.

Free all of my Tibetan brothers and sisters from the Chinese' unkind rule.

May freedom ring!

*Vajra!* (3x)
