

In Defense of the People of China and Taiwan

7.004

Ho! I come to defend the people of China and Taiwan. I am Archangel Michael and I say to those fallen ones in China, thus far and no farther! You shall not pass! I am the angel of deliverance of a people and I come on the soil of America and I wield this sword this day for the defense of all lightbearers.

Ho! The judgment does descend now upon those who would steal the light of the holy people of China on Taiwan. Ho! The judgment does descend upon those who would steal the light of the abundance of the West and use it for the manipulation of that light in a holy people. Ho! The judgment does descend now upon those in church and state who have benefited not only themselves but the beast that has come to devour you. Ho! The judgment does descend upon those who would steal away your freedom, your liberty, beloved hearts.

I AM the Angel of the Lord. I defend the Woman and Her Seed and those who would defend the woman. I lift the veil and scales upon the eyes of those who have not seen, for they have been blinded by their own desire for self-gratification.

Burn through the scales now! Bind! Remove them from their eyes! Awaken the people of this nation and every nation! Burn through, by the power of the Great Central Sun, all opposition to every chela of the Mother, worlds without end. Bind the density that has held them bound now these five and more years [while] the Mother has gone to prepare a place for each of you, as Vajrasattva has said. Bind now the fallen consciousness of those who would make a mockery of all that has been delivered through the Two Witnesses, placing them in a mausoleum, in a museum, nevermore to be active within their chelas!

(Continued)

Bind now the fallen consciousness of those who would annihilate the light within our own! Expose now those within these United States whose malintent would come to destroy the people! Bind now the interlopers! Bind them now by the power of Archangel Michael and his hosts, by the power of the Great Central Sun! Chain them now! Remand them to the Court of the Sacred Fire on Sirius where they will stand trial before the Four and Twenty Elders, as Above, so below! These specific fallen ones whose time is up are named now by the messengers above and below at inner levels. They have no power! They must go now!

Messenger's Sealing:
