

Seize, Pin and Bind the Dweller-on-the-Threshold!

Om Mani Padme Hum AUM

In the name I AM THAT I AM, my beloved Holy Christ/Buddha Self and Holy Christ/Buddha Selves of all lightbearers throughout cosmos, I call to the heart of the Great Central Sun, beloved Alpha and Omega, Helios and Vesta, the God and Goddess Meru and Maximus to demagnetize my entire consciousness, being and world of the influences of the dweller-on-the-threshold and the collective momentum of the planetary dweller of anti-Light.

*Seal me in a crystal-diamond tube of light from the influences of past compromises with the energy veil that have allowed entrée into my aura and four lower bodies of the darkness of the dweller. Seal the place where evil dwells and consume all vestiges of my electronic belt that can be removed this day. Burn through my past karma that has clouded the vision of my Real Self, for I know that only God within me is Real.

Beloved Sanat Kumara, Gautama, Maitreya, Jesus, Padma Sambhava and the Buddha Mother, release me from the grip of the death consciousness that never says die, and bind that dweller once and for all *now!* By the power of my own Real Self, *seize, pin and bind!* (3x) its attempts to keep me from being centered in my heart always. Expose its intrigue, its hiding and its plots to enter my world again during periods of stress, rest or when my biorhythms are low. I say to that unreal dweller: I am a Son, a Daughter of God and I claim my right to be who I am this day. You have no power over me any longer, for I know who I am! I am God in manifestation here and now!

Beloved Goddess of Light, Queen of Light and Goddess of Purity, blaze the light of ten thousand suns to displace the dweller now!

Light! Light! Light! Light! (4x)

Vajra! Vajra! Vajra! Vajra! (4x)

Let the fruits of my causal body descend into my conscious awareness so that all that I see and know is divine love, wisdom and power. Beloved Archangel Michael and Faith and all the legions of the Lord, protect and seal my soul, my chakras and my aura in blue-lightning love twenty-four hours a day! Let my days and nights be filled with the gifts and works of the Holy Spirit made manifest in my every thought, feeling, word and deed. (1x or 3x)*

In the fullness of your cosmic joy, we accept this prayer manifest here and now with full love, wisdom and power, anchored in the earth, air, fire, water and ether and tangibly manifest in our lives and in the lives of all evolutions of light throughout cosmos!

Om Mani Padme Hum AUM
