Om Mani Padme Hum AUM

In the name of the light of God that always prevails, we call to beloved Cyclopea and Virginia and the All-Seeing Eye of God, all Silent Watchers for Terra, the angels of the emerald ray, Saint Germain and Portia and Charity to enfold the Earth and all its evolutions in the perfect image of immaculate grace, cosmic understanding, divine direction, universal peace and holy love as we call forth your Presence in our midst this hour through this our prayer:

Virginia, Cyclopea dear, your healing light is ever near.
We gaze into the Eye of God. Behold the One, the flaming Yod.

Let now your vision be our own as everywhere your seeds are sown,
And Terra now accelerates and rises to her true estate.

Our perfect vision is your plan—to love as God loves every man.
We see with your All-Seeing Eye to raise, illumine all on high.

Renew God's fiery, blazing light within our minds so free and bright
That sensitizes us to love—the healing balm from realms above.

As angels sing with voices gold, the music of the spheres behold,
Dissolve, consume and purify; transmute the Earth in twinkling eye!

We look to thee, most holy one. We see a blazing emerald sun
Within our mind and forehead, too, to keep our vision sure and true.

We see each soul as you would see—a shining beacon pure and free;
Our eyes and vision always clear. We see perfection flowing here!

In the fullness of your cosmic joy, we accept this prayer
manifest here and now with full love, wisdom and power, anchored in
the earth, air, fire, water and ether and tangibly manifest in our lives
and in the lives of all evolutions of light throughout cosmos!
