Om Mani Padme Hum AUM

In the name I AM THAT I AM, my beloved Holy Christ/Buddha Self and Holy Christ/Buddha Selves of all lightbearers throughout cosmos, beloved Heros and Amora, the Great Divine Director, Buddha of the Ruby Ray, Chamuel and Charity, Saint Germain and Portia, Surya and Cuzco, Lanello, K-17, Kali, the Buddha Mother and all true messengers of God, all ascended and cosmic beings, legions of angels and archangels, Elohim, Buddhas and bodhisattvas of heaven, gnomes, undines, sylphs and salamanders, I pray:

By the power of the threefold flame burning within our hearts, we accept our Earth in perfect balance so that any shifting of the tectonic plates occurs slowly, without generating intense shock waves. We accept a gentle and gradual action for all Earth changes and for Terra to maintain her perfect orbit around the sun of our system.

Beloved Heros and Amora, restabilize our Earth with etheric ruby-ray rods and cones composed of ruby-ray crystals. Let thousands of these crystals around the Earth radiate ruby-ray heat. Let this heat, as stored energy, balance the inner levels of the Earth closest to the core. Angels of Heros and Amora, use our violet-ray and ruby-ray calls to repair the faults and fill in the fissures in our Earth.

Elohim of God (3x), blaze forth your light for the saving of all sentient beings, nature spirits and the body elementals of all lightbearers.

In the fullness of your cosmic joy, we accept this prayer manifest here and now with full love, wisdom and power, anchored in the earth, air, fire, water and ether and tangibly manifest in our lives and in the lives of all evolutions of light throughout cosmos!
