

United States Supreme Court Call

Om Mani Padme Hum AUM

In the name I AM THAT I AM, my beloved Holy Christ/Buddha Self and Holy Christ/Buddha Selves of all lightbearers throughout cosmos, beloved El Morya, the Darjeeling Council and all governing councils of the God Star Sirius, all Buddhas and bodhisattvas of heaven, I call now to the Great Karmic Board and Lord Gautama Buddha to overshine, inspire and protect each one of the Justices of the United States Supreme Court as follows:

John Glover Roberts, Jr. by the Goddess of Liberty;
Antonin Gregory Scalia by the Great Divine Director;
Sonia Sotomayor by Portia, Goddess of Justice;
Elena Kagan by Gautama Buddha; *
Ruth Bader Ginsburg by Lady Master Nada;
Clarence Thomas by Pallas Athena, Goddess of Truth;
Stephen Gerald Breyer by Vairochana;
Anthony McLeod Kennedy by Cyclopea; and
Samuel Anthony Alito, Jr. by Kuan Yin, Goddess of Mercy.

We call for divine mercy and justice to prevail in all deliberations of the United States Supreme Court. Beloved Portia, enter into the hearts and minds of the Supreme Court Justices today and prod them to act decisively and swiftly—according to the will, wisdom and love of God in perfect divine balance. Thank you for answering our prayer.
