Om Mani Padme Hum AUM

In the name I AM THAT I AM, my beloved Holy Christ/Buddha Self and Holy Christ/Buddha Selves of all light-bearers throughout cosmos, Helios and Vesta, the Great Central Sun Magnet, Surya and Cuzco and the Mighty Blue Eagle from Sirius, Sanat Kumara, Gautama, Maitreya, the Great Divine Director, El Morya, Saint Germain and Portia, Godfre and Lotus, Hercules and Amazonia, Arcturus and Victoria, Michael and Faith, the Fourteen Ascended Masters Who Govern the Destiny of America, Afra, Micah, Mother Mary, Nada, Goddess of Freedom, Goddess of Liberty, K-17, mighty Cosmos, mighty Victory, Mary W, Charity, Lanello, the Buddha Mother and all true messengers of God, all ascended and cosmic beings, legions of angels and archangels, Elohim, Buddhas and bodhisattvas of heaven, gnomes, undines, sylphs and salamanders, I pray:

Legions of Light come forth! By the power of the threefold flame within my heart, I authorize you to act in the earth on my behalf and that of all lightbearers to protect this nation and her people and bring forth divine solutions to the immigration problem. Stop the lawlessness on our borders and all infiltration by 'coyotes' (human traffickers), drug traffickers, smugglers, terrorists, criminals, gangs, MS-13, Mafia from Europe and other nations, other conspirators, the Mexican military and all darker elements. Protect and secure our southern and northern borders, territories, all coastlines, ports, airspace, airports and all possible entry points. Keep out all who are not ordained by God to be here, including foreign bankers and communists who are buying up our land **and resources**. Teach lightbearers who are meant to be here to rely on God for a legal way into this country.

Guide the media to accurately present all sides of this issue so that the American people will understand all of its myriad causes and effects. Expose and mitigate the role of

NAFTA and other free-trade agreements in helping to create this problem by allowing subsidized U.S. agribusinesses to sell corn in Mexico more cheaply than Mexican family farmers can produce it, putting them out of business and compelling them to enter the U.S. illegally to find work. Bind all government and religious corruption in Mexico, Central America and South America that denies their people proper education, health care and living-wage jobs, keeping them locked in poverty and compelling them to enter the U.S. illegally to find work.

Overshadow and empower Congress and our leaders to bring immigration laws and policies into alignment with the will of God and America's divine plan. Repeal those that are detrimental to the economic, educational, health care and social systems of our culture. Enact new laws that are beneficial to America and fairly and adequately address the types and levels of immigration, countries of origin, rights granted to new immigrants, and enforcement against illegal immigrants already here. See to it that all immigration laws and policies are diligently enforced at federal, state and local levels.

Surya, Cuzco and the mighty Blue Eagle from Sirius, come quickly to manifest the ring-pass-not around the United States of America to safeguard our borders, both physical and spiritual, and our sovereignty as a nation. *Saint Germain, hurl your Miracle Pouch into America!*

Let this call be adjusted in accordance with God's holy will and sealed in the light of God that never fails.

In the fullness of your cosmic joy, we accept this prayer manifest here and now with full love, wisdom and power, anchored in the earth, air, fire, water and ether and tangibly manifest in our lives and in the lives of all evolutions of light throughout cosmos!
