

A New Year's Celebration:
“Mother Mary Speaks on the New-Age Family”
December 31—January 3, 2010
The Austin Centre in Texas

Om Mani Padme Hum AUM

With feet firmly planted in the Earth, we pour our hearts, heads, hands and causal bodies into the crystalline chalice of the Immaculate Heart of Mary in whom we trust. We give now the alchemical gift of our “I am” affirmations on behalf of this special event and pray for the overshadowing presence and assistance of the sponsoring masters: beloved Mother Mary, Lanello, Gautama Buddha, Lady Master Meta, Master Orion, Lady Clare de Lis, Saint Germain, Jesus and Kuthumi, Sanat Kumara and Lady Master Venus. Thank you for coming to help us!

In the heart of Mother Mary, I am the emerald fohatic crystal light of vision and victory for The Hearts Center New Year's Celebration: *Mother Mary Speaks on the New-Age Family*. I am feeling and seeing warm, sunny days with crisp, clear, star-studded nights in Austin and throughout the heart of Texas. Elementals and angels are lovingly creating ideal conditions for safe, on-time travel for the messenger and every heartfriend who will be attending the conference.

I am embodying God's perfect plan to be in the right place at the right time and to sustain a prayer for the contact of all children of Mary's heart, especially those in the Hispanic community of Austin, whom she desires to bless at our celebration.

I am the divine creative solution for any and all potential problems coming through the U.S. economy, personal finances, family dynamics, scheduling conflicts or the health condition of body, mind or spirit. I am holding in love and perfection everyone who will be attending this conference. And I am extending this perfect vision to all personnel and guests who will be at The Austin

Centre during this time. I am accepting that all food options are nutritious and delicious, that all rooms and related services are pleasant and adequate, that all video and audio equipment is in perfect working condition, and that internet service is stable and more than adequate for the broadcast and program requirements.

I am seeing and holding the entire New Year's conference and all participants in Mary's crystal sphere of emerald light, accepting for each one the perfect blessing, initiation and wisdom teaching for the raising of all to greater Christic/Buddhic awareness and heart-mindfulness.

I am transmuting my residual karma of 2009 and my own records of past errors in all quadrants of being in order that many others may also be cleared in this hour. Together we accomplish a thrust for a great divine purpose as we enter the year 2010 with a pure white slate.

With heavenly helpers above and heartfriends below, I am the perfect will, wisdom and love for all that Mother Mary has envisioned for the victory of our New Year's conference. The love in action of our united hearts creates a mighty wind in the sails of Maitreya's clipper ship and carries us safely and victoriously through the year ahead.

**For all that I have envisioned and affirmed, I call forth:
 Infinite Light! (3x) Infinite Emerald Light! (3x) Light! (3x)
 And so it is.**
