

Mexico Call

In the name of our Solar Presence and Holy Christ/Buddha Selves, Holy Christ/Buddha Selves of all lightbearers; our beloved Virgin of Guadalupe, Jesus and Saint Joseph; Saint Francis; Lanello and Guru Ma; Archangel Michael and Faith; Sanat Kumara and Lady Master Venus; Jar-El-Um, Cyclopea and Virginia; the Buddha of the Ruby Ray and the entire Spirit of the Great White Brotherhood; elemental life—fire, air water and earth; we affirm the intervention of the holy angels now and accept the fulfillment on behalf of our blessed Southern neighbor, Mexico, of—

- The cessation of drug wars and the mayhem they wreak. Let the holy ones and the holy families of Mexico be assisted and protected now. May the power of their rosaries, offered throughout the day and the night, be multiplied by the archeiai of heaven. *Beloved, Faith! Christine! Charity! Hope! Mary! Aurora! Amythest! Alena! Celena! Christyla, Astrela! and Vestrea! come to the assistance of the children of Mother Mary in Mexico now!*
- The reactivation of the light of the Great White Brotherhood anchored in the talismans that have been deposited upon Mexican soil during the August 2005 pilgrimage for the mitigation of hurricanes and all forms of natural disaster.

- The electronic presence of the Holy Family superimposed over every family in Mexico. Every child is loved and cared for. All children are guided on their initiatic path. Their lives are joyful and filled with meaning. Loving families are everywhere—from the rural countrysides to Mexico City itself, in the name of Jar-El-Um.
- God-government supplanting corruption and the overshadowing of Presidente Felipe Calderón. Let the leaders of Mexico stand for wholesome government and fairness as servant leaders of their people.
- Positive educational programs, such as internships allowing students to pay back in service the cost of their undergraduate and graduate education.
- Strong bonds of friendship and support between the United States and Mexico, allowing for humane and beneficial solutions to immigration concerns between these countries.

God bless Mexico! God bless Mexico! God bless Mexico!

God raise up Mexico!

God raise up Mexico!

God raise up Mexico!

We accept it done in the name of the Father, the Mother, the Son, the Daughter and the Holy Spirit. Amen.
