

Bodhidharma

(Written in Taipei, Taiwan, at Lanello's request)

Bodhidharma, ancient master,
How we love it when you play!
Bodhidharma, raise us faster
In the Buddhic, fun path way.
Bodhidharma, blaze our karma
With the violet fire today.
Bodhidharma, loving dharma
Is the fun and happy way.

Meditation is your forte,
Calls and sacred mantras sweet.
Liberation is your doorway.
Teach us of this holy treat
Bodhidharma, blaze our karma
With the violet fire today.
Bodhidharma, holy dharma
Is the fun and happy way.

We are holy dharma's children,
Bodhisattvas, Buddhas now,
Blessing all with cosmic wisdom
As with humble hearts we bow.
Bodhidharma, blaze our karma
With the violet fire today.
Bodhidharma, loving dharma
Is the fun and happy way.
