

Come, O Sun of Righteousness

Come, O Sun of Righteousness,
In our hearts and hands, we pray.
Rise, O Sun of Righteousness,
Bring the dawn of the New Day.

Come, O Sun of Righteousness,
Come with healing in your beams.
Shine, O Sun of Righteousness,
Waken many from their dreams.

Chorus:

**And we'll be filled with your light,
Ever having fun.
Auras shining so bright
Blazing like the sun!**

Come, O Sun of Righteousness,
Send your fire unto the earth.
Burn, O Sun of Righteousness,
Purge our souls and give rebirth.

Come, O Sun of Righteousness,
Raise us all to heav'n above.
Blaze, O Sun of Righteousness,
Charge us with the fire of love.

Chorus:

**And we'll be filled with your love,
Ever having fun.
We'll be filled with your love
Shining like the sun!**
