

63. Fleur-de-Lis

Power, love and wisdom blaze,
Waking up the I AM race,
Blessing every soul of light,
Radiating bright.

Chorus

Fleur-de-lis, fleur-de-lis
Three-partite, shining bright
From my I AM light!

Father-Mother energy
Weaves a balanced flow of chi.
Crystal diamonds purify,
Mercy magnify!

Yellow, pink and blue flames swirl,
Nacre* patterns now unfurl,
Realign with my God-plans;
Now with Shiva dance!

Hope and Faith and Charity,
Empower this flame of empathy.
Raising every child divine,
Inspire their light to shine.

Freedom's spark of sacred fire
Kindled by our heart's desire,
Maximize our cosmic spin.
We have hearts to win!

*Nacre [**ney**-ker]: mother-of-pearl
