

Hail to the Chief

Hail to El Morya, dear Chohan of the first ray,
Hail to the Chief, master of the Will of God.
Faith, holy purpose and *virya* are your forte
Blazing new trails and leading us to the Yod.
With the “*New Blue*” energies
We’re striving more each day with you,
Thrusts for the light with Excalibur’s sword,
All darkness consumed as all heartfriends now ascend.
Thank you, El Morya, for your daily word!

Hail to the Chief, ‘biding just above Darjeeling,
Arcing the light to El Capitan so bright.
I AM the One is the daily prayer we give you,
Blazing blue lightning as our souls now take flight.
As the Magi now work with the leadership of every land,
Morya, Kuthumi and Djwal Kul at large,
As God’s “over men”, you America defend.
We vote for you to lead on and take charge!

Hail to El Morya, our leader in light’s battle,
In *Armageddon* atop your flaming steed.
With Saint Germain and the Chohans of the Seven Rays
Flashing God’s will with your blue lightning speed!
We are one with God’s will, holy purpose now our daily fare.
Take charge today as we live your *New Blue!*
Lead on, Morya El, with your thrusts of light for right.
From the beginning we’re winning with you!
