

120. I and the Mother Light Are One!

I AM receiving Mother Mary's Presence
In the secret chamber of my heart,
I AM a Mother of healing for the planet—
Mother Mary and I will never part.
I AM One with Mother Mary,
One Spirit, one heart, one mind.
I believe in her miracles,
Therefore they shall be mine.
I AM One with the Mother Light
Shining from above,
I'm a crystal sending forth her love!

I AM the Mother, all giving and forgiving,
Shining Light from out my blessed heart.
I AM the Light of God within the children,
Helping them to have a glorious start.
I send healing rings of fire
From the Mother to every soul,
Honoring the Christ Light,
Ascension is their goal.
I AM rescuing the unborn babes,
Bathe them in the Sun—
I and the Mother Light are One!
