

## **Keep The Flame of Life!** (song)

By David Lewis and Dean Anderson

Keep the Flame of Life for every soul; Saint Germain will lead you to the goal  
Two million right decisions, his example for all time ---  
Keep the Flame ablaze within your heart; Portia's angels always do their part  
And Charity will guide you, as you strive with grace sublime ---

chorus: Blaze the Violet Flame, and invoke God's I AM name  
And the earth shall be transformed into a star of Charity

Keep the Flame of Life for every soul; Healing devas come to make them whole  
As Holy Spirit's angels fan the love-fires of your heart ---  
Serve all life with kindness in your heart; Charity will always do her part  
In raising all you contact, with the gift of joy divine

chorus: Blaze the Violet Flame, and invoke God's I AM name  
And the earth shall be transformed into a star of Charity
