

121. Thank You!

Thank you for this beautiful morning,
Thank you for this wondrous day,
Thank you for the gift of living
With each sunny ray.

Thank you for the joy of praising,
Thank you for singing with the birds,
Thank you for giggling with the children –
Changing all that hurts.

Thank you for friends that share my laughter,
Thank you for those who feel my pain,
Thank you for teaching me your wisdom
Of the violet flame.

Thank you, O God, I am so grateful!
Thank you as I embrace each soul.
Thank you, your love is ever growing
Through hopeful hearts and goals.

Thank you for seeing pretty flowers,
Thank you for nature's pristine air,
Thank you for listening to my prayers –
Showing me you care.
