on Channel 2
from Stelle, Illinois**

The Hearts Center Chicago (Stelle group) is broadcasting on channel 2 from 4:30 – 5:55 a.m. MST (5:30 – 6:55 a.m. CST) Monday thru Friday, except on Holidays. The schedule will include Michaels (10.001), dweller calls (20.007) and ½ hour of Violet Fire calls and more, varying by the day of the week.

This new service will NOT replace the morning services from Wellspring. This daily service is offered especially for those for whom it is difficult or impossible to attend the morning sessions from Wellspring because of their work schedules, but of course anyone from any time zone is welcome to attend!

As with the services from Wellspring, we welcome your special requests for certain calls, prayers, or decrees to be given for specific people and/or situations both personal and planetary.

Please submit your requests to:
dkletter@stelle.net or trogers@stelle.net.
