Fellow Heartfriends!

Our upcoming event in Washington D.C. "*A New Spiral of Freedom for America; a pilgrimage with Saint Germain and El Morya to the Alabaster City*" is just over a week away, January 26-28!

On January 7, the Goddess of Freedom admonished:

*Therefore, I come to radiate forth light from my image and focus above the nation's capital. **And I call all sons and daughters of God who have vowed on the inner to defend the work of Saint Germain and Portia in consonance with the Great Divine Director to come to the nation's capital later this month to support the master Saint Germain and El Morya for all the work that they would accomplish to once again secure this land and this nation for the flame of freedom.** For, blessed ones, if a certain action of light is not manifest during this upcoming weekend event, then there could be greater inroads made into those pockets that have already been carved out in the minds of those who would seek to defraud the American people of their liberties and their abundance and their very lands and homes, bringing to bear what some see as a new way but which is not the way of the Great White Brotherhood.*

There is still time to register. Go to www.theheartcenter.org website and click on Bookstore. On the drop down menu you may register by credit card.

Discounted lodging rates are available through Monday, January 15th at the Rosslyn Holiday Inn where the event is being held. Details on reserving a room are on the website under Events. And if you're in need of a roommate, help is available. Again, check under Events for Washington D.C.

It's "All for One and One for All!"

See you in Washington D.C. Friday evening, January 26th.

AOV,
Heartfriends of Washington D.C.
