

February 29, 2008

Dear Heartfriends,

The Saturday afternoon session on March 22 at the Easter Conference will be for members of the Holy Order of Knights and Ladies of the Flame only. The internet broadcast of this session will only be accessible to the Knights and Ladies as well. For those who are not members of this order, I would like to take this opportunity to tell you about it so you can apply before the Easter conference if you feel a calling to do so.

The Holy Order of Knights and Ladies of the Flame was established in a dictation by the Ascended Master Lanello on January 10, 2005. Lanello stated that in order to be successful, The Hearts Center messengers need a staunch group of chelas who will rally to pray for the protection of the ongoing release of the ascended masters' words to the world. The primary job of this holy order is to support, through ongoing prayers and novenas, all anointed messengers as well as all others in the order and all servitors of light throughout the world.

If you would like to learn more about the Holy Order of the Knights and Ladies of the Flame please email Mary Wilk at KandL@heartscenter.org and she will email you information on the purpose and responsibilities of the order and an application. All applications are sent to the messenger to be approved by El Morya, so if you would like to join before the Easter conference, make sure you submit your application by Saturday, March 15.

I hope you can attend the Easter Conference, *The Resurrection of a Golden Crystal Age Economy for America and the World*, either at the Wellspring Retreat or on the broadcast, where we will work our alchemy together through prayer, song and meditation to raise ourselves and the planet into joyful Presence!

Sincerely,

Joyce Genis
Team Leader for the Holy Order of
Knights and Ladies of the Flame
