Fellow Heartfriends,

With great joy we received El Morya's Easter Conference announcement regarding the Wellspring Retreat. He said,

*I come to announce to you that because of the response of heartfriends and servitors of light within this movement, that the Karmic Board has granted the sufficiency of light energy to secure this property for eternity for the light and for the blessed Mother.*

*There still remains work to be done to fulfill this mandate and to secure the funds, but enough has been raised that the Solar Lords have looked upon the alchemy that you have engaged in and said that they are convinced that you will fulfill the Mother's request, and therefore a grant was given for the victory of all. The Darjeeling Council and the Council of the Royal Teton now applaud each and everyone of you, for you know who you are who have given of your abundance, your supply, your calls, your support to this dispensation.*

It is with great excitement that we would like to share with you how close to the victory mark we have come in our alchemy of securing the Wellspring Retreat. On September 27<sup>th</sup> of last year, beloved Portia came on behalf of the Karmic Board to initiate fundraising for the securing of this property. In response to the master's request and through the generosity of all of our hearts, we, together, donated \$72,899 to the Building Fund by the end of 2007. The masters then requested an additional \$50,000 to be raised by June 1<sup>st</sup> of 2008.

Through our ongoing commitment, and especially our Easter Basket Drive on behalf of Mother Mary, we have raised an additional \$32,690, bringing our total to date to \$105,589. The Hearts Center Council and Building and Development Fund Committee have been working diligently in completing the legal and financial steps necessary to proceed with the Wellspring Project.

The anticipated down payment, including fees, to secure the property for The Hearts Center totals \$125,000. By subtracting the raised funds of \$105,589 from the \$125,000 goal, we see that there is \$19,411 yet to raise. And the committee has moved the goal date from June 1<sup>st</sup> to July 1<sup>st</sup> in order for us achieve this total.

When you log in after coming to our site, a thermometer showing the total donations to the building fund will keep you apprised of our progress. This thermometer is updated frequently, so check it regularly as it moves ever closer to the \$125,000 mark!

The masters desire that we secure the Wellspring Retreat quickly. In El Morya's words on February 13<sup>th</sup>,

*There must be an upswell in determination amongst heartfriends through their directed supply to purchase that portion that The Hearts Center has now spoken of and which you have seen laid out in the "walkthrough" video. Until this flowfield is fully secured, we cannot receive certain grants as part of this dispensation that we must have in order to fulfill the twelve-year plan and beyond, blessed ones...*

*Therefore, I, El Morya, send out the call to everyone at inner levels who understands the delicate nature of the balance of light and darkness upon earth and to whom this dispensation is delivered, to come up higher, to sacrifice, to give and, in some cases, to move physically to Montana to help those heroes and heroines of the Spirit, whose voices you hear daily on these broadcasts, who have stood firm in their support of the securing the property for Mother Mary and for the entire Universal Great White Brotherhood...*

*Blessed hearts of fire, my fiery determination that you individually will be victorious remains true blue. Thus I come at the behest of the Cosmic Virgin on this Wednesday. For those of you who claim to love her, who give your rosaries daily must know that the Blessed Mother is waiting for you patiently to begin the building of condominiums. For once these are completed, even sixty percent, then the greater healing work will commence and your growth will be exponential, blessed hearts.*
