Purpose of this Session

Saint Germain will co-create with us a live, loving alchemical experience to accelerate personal and planetary consciousness and alchemical joy. The Master will use the violet laser light—a more advanced frequency than the violet flame—to quicken global transmutation and change. Engage Saint Germain in a live Q&A darshan. Expect miracles, new revelations, and a powerful uplift in Spirit!
Who is Saint Germain?

• Greatest Alchemist of Modern Civilization
• Wonderman of Europe
• Chohan of the Seventh Ray of Freedom
• Aquarian Avatar
• Exponent of the use of the Violet Consuming Flame and now the Violet Laser Light
