

## **Who We Are**

### **The Hearts Center Community**

The Hearts Center is a dynamic worldwide movement of spiritual seekers, joyously growing in personal self-mastery. Our mission is to offer up-to-the-minute teachings and inspiration from the ascended masters through David Christopher Lewis, an anointed messenger of the Universal Great White Brotherhood. As a virtual community, we daily broadcast free prayer services, including meditation, devotional singing, the giving of mantras, personal sharings, and teachings from the ascended masters. We gather in person for our local events, quarterly conferences, and annual pilgrimages.

### **Meru University**

Meru University is a modern-day mystery school for the ascended masters. Supporting the advancement of spiritual seekers on the initiatic path to the ascension, Meru University offers online and on-demand courses, workshops and webinars on a vast array of spiritual topics, including all manner of divine science, such as studies on the human aura, alchemy, solar health, abundance, divine magic, and more.

### **Meru Press**

Meru Press publishes the words of the ascended masters in books and other publications for Meru University and The Hearts Center.
