Archangel Michael's March Song (#29)

- HC website

Michael, dear archangel, august friend,
We will work with you to the end.
Your gracious presence with us ever to defend the seed of God!
O Michael, come! And with your legions lead the way!
With you we'll bring in the new day,
A golden age, God's kingdom come to earth again,
Our Defender, our Protector true!

Chorus:

**Onward march, blue legions row on row!
Blazing God-protection here below!
Flaming spheres now surround souls whose hearts are true.
Lead on in God-splendor! Service great you render!
Our dear Michael, we love you!**

Charging forth, your hosts of light obey
Our calls and enter in the fray
To battle every form of darkness, opposition to the soul!
We call you now! Protect our children, youth, each one
That they may soar right to the Sun,
All mastery, save sentient life, come Home again!
Michael, we are marching now with you!

Faith, beloved archeia true-blue,
With this great gift our souls imbue
Of total faith in God, his purposes, his plan to see us through
Each test and trial, the disciplines that make us strong,
That build our will and give a song
We sing with angel bands as victory we claim!
Our dear Faith, enfire is with your flame!

Prayer to Arcturus Song - HC website

Bless Elohim,
Let Thy Light now stream,
Fill each heart with love and violet flame
God's victory we claim.

Oh, Arcturus dear
Cast away all fear
With Thy rays of love and violet flame
Let freedom reign.

Purify, transmute us
Sanctify, renew us.

Hail, Victoria dear
Holy flame draw near
Fill this world with love and violet flame
Bring peace again.

Blessed Elohim
Let Thy Light now stream
Fill each soul with love and violet flame.

And teach us all to know,
How precious is each soul
In Heaven's eyes.

Short Tube of Light Song (0.005) - HC website – first song

Beloved IAM love divine,
Blaze your light, around me shine.
Cosmic secret rays of fire
Pulsing, flowing, you inspire.

My Solar Presence (3x)
Lives right where I AM.

Violet joy now smile through me,
Raise me up and set me free.
Singing, spinning, burning bright,
Grace me in your mercy light.

My Solar Presence (3x)
Lives right where I AM.

Magdas Mantra –Crystal Diamond of Light song (9.009)

(Song- HC website)

I live and move and have my being
in a living, liquid, crystal diamond of light!

Crystal Diamond Tube of Light (0.001) -medium - HC website

Om Mani Padme Hum AUM

Beloved Presence of infinite light and love, mighty I AM THAT I AM above me, blaze forth from the center of my causal body now a great pillar of radiant, dazzling white light surrounding my form and extending out nine feet in all directions from my heart center in an impervious force field of glowing energy and sealed in crystalline-diamond substance through which nothing less than God-perfection can pass.

Within this glorious crystal-diamond tube of light, I now invoke a glowing bonfire of the violet transmuting, singing flame that consumes all karma—cause, effect, record and memory— replacing it with pure joy. Accelerate the spinning of my chakras and sustain this cosmic, pulsating violet fire in, through and around me twenty-four hours a day, burning away all imperfections, sense of limitation and lack, astral and evil projections and past records that arise for transmutation.

Beloved Solar Presence bright, hold the immaculate concept for me as I hold all life in this image of perfection now and always. Clear all resistance to my acceptance of divine inspiration, guidance, intuition and grace; the development of my inner potential and Christic/Buddhic nature; and the acceleration of the precipitation in my world of the gifts of the Holy Spirit and the siddhis of the adepts, their out picturing in my every thought, word and deed and made manifest in practical spirituality in my life today.

Seal me in this matrix of complete victory at all times and as I engage in the sacred science of mantra and the spoken word on behalf of all sentient life upon earth and on all planetary systems, worlds without end. Let God's holy will be done and let love, wisdom and power flow forth now!

Om Mani Padme Hum AUM

We call unto you.
Protect us, defend us,
In circles of blue!

On you we depend!

Michael's Great Blue Sword (Song 28)

- HC website

Michael, Archangel bright, we praise your mighty light,
And the power of your great blue sword.
Come now, hear the prayer of good people everywhere,
We implore you with one accord.
Guard our threefold flame in the holy I AM name,
In protection's glow our souls now seal.
We feel your love cascading from above,
And we're grateful for a friend so real.

Guardian of our youth, defend unity and truth,
With dear Micah standing at your side.
Your faith and your trust will always be a must,
The nations of our world to guide.
Indigo, azure too, and each transcendent hue,
Make us love to intone the sacred word.
Michael, Archangel true, we place our faith in you,
And your famous blue lightening sword.

Cut us free from the sense of all that's dark and dense;
Help us see ourselves in purest light,
Our victory to win over hatred and sin,
For our sisters and brothers do what's right.
We would march with you in protection's fiery blue,
Songs of faith ascending heavenward.
We know God will prevail, with a light that does not fail,
And Archangel Michael's great blue sword.

In the Garden (Song 8)

- HC website songs

I come to the garden alone,
While the dew is still on the roses,
And the voice I hear,
Falling on my ear,
The Son of God discloses.

Chorus:

**And He walks with me,
And He talks with me,
And He tells me I am His own;
And the joy we share
As we tarry there,
None other has ever known.**

He speaks, and the sound of His voice
Is so sweet the birds hush their singing,
And the melody
That he gave to me,
Within my heart is ringing.

Chorus:

I'd stay in the garden with Him
Though the night
Around me be falling, But he bids me go; through the voice of woe
His voice to me is calling.

Chorus:

(Music and lyrics by Charles Austin Miles.)
