

A NEW CULTURE OF DIVINE LOVE FOR EUROPE AND THE WORLD
SPONSORED BY THE SEVEN HOLY KUMARAS

A EUROPEAN PILGRIMAGE TO PARIS AND VIENNA

OCTOBER 20-27, 2009

The Hearts Center invites you to join the European Pilgrimage 2009, a spiritual milestone for all who attend as well as that continent and the world. The Great Divine Director stated on March 14, 2009:

"And, yes, I say on behalf of Lanello that if each and every one of you would choose this night to support his vision for a divine pilgrimage later within this year and will sacrifice the time necessary to support this divine journey of light, you will see, I promise, a change within the economy of Europe and in your own personal economy."

Soon, heartfriends will be off to France and Austria to anchor light through a stupendous spiritual event that includes the delivery of five HeartStreams in Paris and ten in Vienna, the heart chakra of Europe. Through their offering of songs and decrees and by touching their feet upon the soil of these two great countries, Hearts Center pilgrims, working hand-in-hand with the ascended masters, will once again be those anchor points of light to bless France, Austria and all the countries of Europe. The masters are weaving a violet-blue carpet with secret rays intertwined to cover the continent, and this pilgrimage will help to manifest this action in the physical octave.

For thousands of years the Great Divine Director, Saint Germain and many other masters have labored in various ways to realize a golden-crystal age for the European continent. Think of what the ascended masters have released through the incomparable talents of classical musicians and artists from the countries of Europe—truly divinely inspired works that have stood the test of time. Think of the connection of Europe and Scandinavia to Venus, to Sanat Kumara and Lady Venus. Think about the many embodiments our ascended masters have had in Europe!

Dear friend, now you are invited to let your light shine for Europe, together with your brothers and sisters ascended and unascended, and be a key player in bringing this pilgrimage to its fulfillment!
