The hot springs at Chico flow into two open-air mineral Hot Springs pools. While temperatures of the pools fluctuate slightly due to natural elements and occurrences, the large pool averages 96 degrees Fahrenheit and the small pool averages 103 degrees Fahrenheit.

Guests can soak, swim, play and relax in the Hot Springs pools every day of the year. Day guests are welcome at the Hot Springs from 8:00 am until 11:00PM daily – and can pay an admission fee in the Saloon, Poolside Grille, or at the Front Desk. Towels are available to day guests for a small rental fee at Guest Services.

No outside food or beverages can be brought into the pool area. However, lunch, dinner and drinks are available from the Poolside Grille and Saloon. Because there is not a lifeguard on duty, children must be accompanied by an adult. Locker rooms including showers, changing areas, and lockers are located in the pool area.
