## *Luxor Pilgrimage Reservation*

*Journey to the Ascension Temple with Serapis and Morya; October 7<sup>th</sup> – 17<sup>th</sup>. This is a journey of a lifetime for those who have determined to make their ascension. An eleven-day pilgrimage and retreat where personal initiations from the master of the ascension temple at Luxor will be conveyed directly and on inner levels, and souls will be prepared for their ultimate reunion with God. Join the Messengers in this unforgettable opportunity to travel to the Mother chakra of the planet. See the great pyramids at Giza, float the Nile, and walk where the Master walked.*

*"This trip is important for every member of The Hearts Center™, each and every member that would like to come. We ask that those not able to participate support the messengers and the council, as many as possible, for this mission is extremely important. If you cannot go, and yet supply the funds towards the council going to Luxor, you will receive the identical impetus as if you had attended." Serapis*

You will have the option of not doing everything the group does, on the other hand if your health is in question; do check with your physician. Also keep in mind, and this also goes for those not able to participate in the pilgrimage due to their work commitments, the words of Serapis, that through your financial support of the council, *you will receive the identical impetus as if you had attended.*"

This cost is based on double occupancy. A single supplement (single room) is an additional \$220.

## **Cancellation**

Tours or pilgrimages such as you are about to embark on typically require a substantial amount down many months prior to departure. To avail this pilgrimage to the maximum number of Heartfriends, we're asking for payment at the time the monies are due the airline and the hotels. Thus if some unfortunate situation necessitates your canceling after your payments are made, the likelihood of money being returned to you is minimal. The Hearts Center™ will work with you, but makes no guarantees on refunds. It is highly recommended that all those traveling explore trip cancellation insurance on the internet. There are many reasonable options to choose from. Bear in mind that medical insurance is covered in your pilgrimage cost.

## **Secure Your Space**

*Your reservation is what guarantees you a space on this pilgrimage. It can also set the matrix for your alchemy. It's to your advantage to make your reservation as early as possible and definitely by the FREEDOM 2006 conference!*
