

***Charge the Earth with Violet Fire!***  
***A Cosmic Mission to Save Sentient Life***  
***The Seven Mighty Elohim Come to the Heart of California***  
**June 2-4, 2006**

*You have called to me to stabilize the earth and so I come for a short time this morning into your midst and I ask and the Master Morya asks that you plan an event in Yosemite by the end of June of this year whereby we may come and anchor our fire again for the stabilization of the California coast, the San Andreas fault and the western shores of America and her cities and people.*

*Beloved ones, it is essential that the messengers and many among you, especially those who live in the landed areas of the western shores of America, come to assist us in holding the balance. As you have heard, a dispensation was granted for a seven-month reprieve for certain cataclysms that were coming due unto mankind, but we need many of you to come and anchor your light physically, tangibly. And if you desire to do so near our retreat we will come in a stupendous action whereby all of the Seven Mighty Elohim will speak to you and anchor their fire for the salvation of the cities of the West for a cycle and a cycle and a cycle more.*

*Therefore plan [to] come to the heart of California. Blend your voice and lend your energies to us and we shall see what we can do for you and what you can do for America and the world through your sacrificial giving of the word which you are becoming.*

The meeting location for Friday, at the home of Marsha Hammon, is about one mile from the Fresno/Yosemite Airport. Special rates are being negotiated for Friday night with a motel adjacent to the airport. The hotel provides a free shuttle to and from the airport. And the Heartfriends of Fresno will provide transportation between the motel and the meeting location.

Saturday night's lodging will be in tent cabins in Yosemite's Curry Village; under the stars and under the retreats of beloved Hercules and El Morya. The tent cabins have two single beds, linen and one blanket per bed (consider bringing a sleeping bag) plus a small dresser with a mirror. Tent cabins are a canvas tent over a wood platform with one light bulb. The restrooms and showers are nearby. Reservations for the tent cabins have already been made. Contact the Heartfriends of Fresno at: [mguyham@yahoo.com](mailto:mguyham@yahoo.com) or 559-637-9655/ 559-960-3988 for your lodging needs for Friday, Saturday and Sunday. For those flying into Fresno, it should not be necessary to rent a car. The goal of the Heartfriends of Fresno is to find available seating amongst those already planning to drive to Yosemite. In typical California style, many Heartfriends will be driving.
