**\*\*Leo Carrillo Ranch Historic Park**

6200 Flying Leo Carrillo Ln, Carlsbad, CA 92009, (760) 476-1042

Discover the history and tranquil beauty of this former working ranch, once owned by actor Leo Carrillo. Secluded in the heart of a magnificently landscaped 27-acre canyon, this historic park contains and protects romantic hand-crafted adobe buildings, antique windmills, a reflecting pool and many other beautiful historic structures where visitors can explore and experience California history. Nature-lovers delight in gorgeous agave, bougainvillea, Birds of Paradise, plentiful trees and the company of dozens of brilliant peacocks who call the ranch home. The unique entry gate was created specifically for the park through the city's public art program.

Visitor advisory: Leo Carrillo Ranch is a designated Historic National Landmark with irregular earthen and paved surfaces, including stairs and trails. It is recommended that visitors wear appropriate shoes for the uneven terrain. Be prepared to walk extended distances up and down moderately sloping hillsides on uneven decomposed granite trails. Wear cool, comfortable clothing and sturdy walking shoes or hiking boots. Wear a hat and sunscreen. Bring water.
